Dear Applicant:

Our letter of the above date stated that we had determined your organization is exempt under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) and that you would be treated as a publicly supported organization and not as a private foundation during your advance ruling period. This was based on our determination that you could reasonably be expected to be an organization described in sections 170(b)(1)(A)(vi) and 509(a)(1) or in section 509(a)(2).

We also stated that at the end of your advance ruling period you would have to establish that you were in fact an organization described in one of the above sections.

Our records indicate that your advance ruling period begins and ends on the dates shown above. Your exempt status as an organization described in section 501(c)(3) is still in effect. However, to establish that you are a publicly supported organization described in sections 170(b)(1)(A)(vi) and 509(a)(1) or in section 509(a)(2), please complete the attached Form 8734, Support Schedule for Advance Ruling Period, for each of the tax years in your advance ruling period.

The information requested in this letter is required to support your claim to be other than a private foundation. It is needed in addition to any required Form 990 or other annual return. Please send it to us within 90 days from the end of your advance ruling period.

If we do not receive this information, we will presume you are a private foundation and you will be treated as a private foundation as of the first day of your first tax year for purposes of sections 507(d) and 4940 of the Code. In addition, if you do not provide the information by the time requested, it will be considered by the Internal Revenue Service that you have not taken all reasonable steps to secure the determination you requested. Under section 7428(b)(2) of the Code, not taking all reasonable steps, in a timely manner, to secure the determination may be considered as a failure to exhaust administrative remedies available to you within the Service, and may preclude the issu-

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Thank you for your cooperation.

Sincerely yours,

Dear Applicant:

This modifies our letter of the above date in which we stated that you would be treated as an organization that is not a private foundation until the expiration of your advance ruling period.

Your exempt status under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3) is still in effect. Based on the information you submitted, we have determined that you are not a private foundation within the meaning of section 509(a) of the Code because you are an organization of the type described in section 509(a)(2).

Grantors and contributors may rely on this determination unless the Internal Revenue Service publishes notice to the contrary. However, if you lose your section 509(a)(2) status, a grantor or contributor may not rely on this determination if he or she was in part responsible for, or was aware of, the act or failure to act, or the substantial or material change on the part of the organization that resulted in your loss of such status, or if he or she acquired knowledge that the Internal Revenue Service had given notice that you would no longer be classified as a section 509(a)(2) organization.

As of January 1, 1984, you are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

You are required to file Form 990 only if your gross receipts each year are normally more than \$25,000. For guidance in determining whether your gross receipts are "normally" more than \$25,000, see the instructions for Form 990. If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$10 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$5,000 or 5 percent of your gross receipts for the year, whichever is less. This penalty may also be charged if a return is not complete, so please be sure your return is complete before you file it.

If we have indicated in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.
